Bendix GENERAL CT
with *IVH Control*

Fit with confidence

A general purpose passenger vehicle brake pad for everyday driving. Featuring a unique Titanium stripe and Ceramic Technology. This pad provides sure stopping right out of the box and is safer and surer from the first stop till the last.

Bendix 4WD

On road feel – off road tough

A brake pad providing low noise, low dust and reduced brake fade at high temperatures. Features a unique Titanium Stripe and is manufactured using EPR for extra strength, higher friction and greater heat resistance.

Bendix HEAVY DUTY

For hardworking vehicles

A multi purpose brake pad for working vehicles, towing and other heavy duty applications. Features a unique Titanium Stripe for instant positive pedal feel and an exclusive insulation layer for cooler braking and longer life.

Bendix ULTIMATE

Absolute stopping power

Supreme braking confidence for sports, performance and prestige vehicles at freeway speeds and beyond. The high performance compound provides excellent high temperature wear and fade resistance plus exceptional cold performance.
